# ABOUT FLAT ROCK CELLARS

**Leave the hustle and bustle of the city behind and host your next meeting or event in Wine Country!**

We are here at Flat Rock Cellars for two reasons. First, we're here to make great wine. Second, we're here to offer you a truly personal wine experience. Everything we do comes from these two basic principles.

Our state-of-the-art hexagon shaped winery offers a unique setting for your private event in wine country. The newly renovated event spaces and the expertise of our onsite hospitality team will turn your vision into reality.

Perfect for groups of 50 guests and under, we're perfectly situated to host your next event or corporate retreat. The winery is less than 1-hour from downtown Toronto and only 20 minutes from Niagara Falls.
